

# Virtus Two Point Mortice Lock

The Austral Virtus Two Point mortice lock is a reliable locking solution for residential aluminium or timber doors. Designed and developed to Australian Standards, the Austral two point lock is a secure solution, offering a locking latch and a deadbolt which throws to 13mm and 22mm deadbolt. The lock is compatible with standard fixed cam Euro profile cylinders and achieves Security level S8 and Durability level D8 to AS4145: 2008.2

## Features

- Provides two points of locking: latch and deadbolt
- Deadbolt can extend 13mm and 22mm by turning the cylinder once or twice without adjustment to the lock
- Deadbolt returns from either 13mm or 22mm state with one turn of the cylinder
- 30mm, 40mm, and 60mm backset options
- Easy latch handing
- Adjustable latch projection
- Latch can be retracted by key/cylinder turn
- Compatible with standard fixed cam Euro profile cylinders
- Employs the same door preparation as the Austral Virtus Four Point Lock
- Fixing tabs and a narrower (22mm wide) and shorter (230mm long) face plate with radius corners available for easy flush mount installation
- Sliding snib feature allows users to put the lock into privacy mode when using compatible furniture
